SUMMARY

Motivated Information Technology student with a Diploma in Computer Engineering (CGPA: 8.81) and hands-on experience through a software development internship and an IoT-based project. Possesses foundational knowledge in programming languages and core computer science concepts. Quick learner with a collaborative mindset, eager to contribute to real-world software development projects and grow within a professional environment.

TECHNICAL SKILLS

Programming Languages (Basic): C++, Python, Java, SQL

Core Concepts: OOP, DBMS, Data Structures (Basic)

Tools & Technologies: VS Code, XAMPP, Arduino IDE, GitHub

Soft Skills: Problem Solving, Teamwork, Communication, Adaptability, Time Management

INTERNSHIP EXPERIENCE

Developer Intern — Praxware, Ahmedabad June 2024 – August 2024

- Assisted in building responsive web interfaces, ensuring cross-browser compatibility and clean UI.
- Supported backend data handling and integration tasks under senior developer guidance.
- Participated in testing and debugging sessions to identify and resolve functional issues.
- Collaborated with team members to deliver assigned development tasks within deadlines.
- Gained practical exposure to real-world software development workflows and version control practices.

PROJECTS

Smart Solar Cleaning System | [GitHub Repository](#)

- Designed and developed an automated solar panel cleaning system to improve energy output efficiency.
- Implemented dust detection logic using a dust sensor to trigger the cleaning mechanism automatically.
- Built a motor-driven linear cleaning mechanism to clear dust from panel surfaces.
- Enabled night-only operation using an LDR sensor to avoid water usage during daytime.
- Successfully built and tested the complete hardware prototype using Arduino.

Technologies: Arduino, Dust Sensor, LDR, DC Motor, Water Pump

EDUCATION

B.Tech – Information Technology 2025 – Present

Dr. Subhash University (DSU), Junagadh

Diploma – Computer Engineering Passed: June 2025

OIET – Gujarat Technological University (GTU) | CGPA: 8.81

Secondary School Certificate (SSC) Passed: March 2022

GSEB – Gurukul School | 68.5%

KEY STRENGTHS

Quick Learner • Positive Attitude • Team Player • Problem-Solving Mindset • Eager to Learn New Technologies
